

One Act Festival Rehearsal Schedule

This schedule is built with the conflicts of our casts and crew in mind and was a huge puzzle to work out- please be very careful to read the times and locations and be at every rehearsal. We don't have a lot of time to mount four shows, but we DO have a lot of faith in the power of hard work and dedication!

Date/ Time	Aunt Leaf Location	Brian the Comet Location	In the Forests of the Night Location	Actor's Nightmare Location	Conflicts
